Firemen at the central station have adopted temporarily a couple of pets which bear pro-German names, although their loyalty is not in question. The additions to the collection of pets at the station are two dachshund pups, the property of Dr. E. H. Bawroff of South Barre. By their seeming devotion to the firemen the canines have overcome any prejudice which may have arisen because of their nationality.

Acting as administrator for the estate of George P. Lund, Arthur C. Tilden has held the house at 22 Third street to Madeline and Frank Dughi, who intend to occupy the property in the near future. The price paid was in the neighborhood of \$1,500 and the deal included the long occupied by Mr. Lund and a small piece of land. One Lund went to Laconia, N. H., some time ago to make her home with her daughter.

The auction sale at Erhardt farm in Berlin yesterday was fairly well attended. One Ayrshire cow sold for \$120 with the papers. The Jerseys were well bred but small and thin in flesh, and the owner did not care to transfer the papers without cows brought \$100 or more, and the young stock \$75 or more; consequently the Jerseys sold as grade stock for \$25 to \$50 for cows and from \$20 to \$35 for yearlings. One horse brought \$150 and one horse \$160; a yearling colt \$80; shafts, farm tools, carriages, harnesses and household goods brought very satisfactory prices. C. F. Smith, auctioneer.

The first of the proposed series of inter-class games among the different classes at Spaulding high school will be played this afternoon at the Lincoln campus, when the senior eleven will try conclusions. Both teams have been putting in a great deal of time practicing during the past week, so an interesting game is expected. As Spaulding is not represented by a football eleven this year, because of the delay in opening sessions, a great deal of interest has been manifested over the inter-class games and so a large number of students are planning to be present at the game this afternoon.

The Italian Pleasure club kept open house at its rooms in the Scampini building last evening in honor of William McDonald, retiring president of the Granite Manufacturers' association, and his brother, Lieut. Archie MacDonald of Westfield, Mass., who is here for a few days while on leave. An informal program of music and brief speeches was followed by a Hooverized lunch in which the club's commissary committee exhibited its resourcefulness in preparing a menu that was beyond censure. Mr. MacDonald and his brother are to leave Barre tomorrow, the former going to Springfield, Mass., to reside, while Lieut. MacDonald will rejoin his command in Westfield.

Agent George Marsh of the American Express Co.'s local office has received from headquarters an interesting set of instructions relative to the shipment of Christmas boxes for the soldiers and sailors in the U. S. army and navy. Shippers may be agreeably surprised to learn that the war department will pay the freight charges on all boxes from Hoboken, N. J., the shipper to pay the traffic expenses from the shipping point to Hoboken. The card of directions states that Christmas boxes must not exceed 20 pounds in weight and must be limited to two cubic feet. Moreover, the box must be of wood, securely strapped and provided with a hinged or screwed cover in order that inspection may be facilitated. The giver of gifts to the soldier's Christmas, therefore, may be assured that his box will be delivered in England or France or wherever the recipient is stationed, if it is shipped to Hoboken in care of the commanding general of the port of Hoboken.

Travelers from the Mad river valley who motored to Barre to-day bore tidings of an automobile accident in which three men narrowly escaped with their lives yesterday. The accident occurred near the new dam up the valley from Middlesex and the occupants of a Ford car which figured in the affair were the brothers, Burton S. Ward and Clair W. Ward, and Clyde Newton. It some manner the car skidded out of the road and went over a rather steep bank near the dam. B. S. Ward was on the rear seat and is said to have been thrown out. His brother had time to jump, but Newton was pinned under the car as it turned turtle. His companions succeeded in extricating him and afterwards it developed that only a scratch in the ground where Newton lay under the car prevented him from receiving grave injuries. The car was badly damaged.

WASHINGTON. The regular meeting of Washington Grange will be held Friday evening, Nov. 9. Ladies night will be observed and a large attendance is hoped for.

Overcome That Obstinate Cough

A neglected cough is apt to become chronic and cause a world of annoyance. Colds, gripe and coughs tend to lower one's vitality. In order to overcome the weakened condition of your system, caused by a stubborn cough, you need a medicine food such as

TALK OF THE TOWN

Rev. W. A. Morrison of Ontario will preach in the Presbyterian church at Graniteville next Sunday, three times.

A meeting of the Granite City Quilting club will be held in the pavilion on Friday, Nov. 9, at 7 o'clock. All members are requested to attend.

The Barre branch of the Red Cross has just sent 204 Christmas bags to the Red Cross headquarters in Boston to be distributed among the soldiers. If anyone else desires to prepare bags the local society will see that the proper authorities get them.

After the coming week end, Saturday night luncheons at the Vincetta club are to be discontinued as a result of action taken by the board of managers at a special meeting last evening. Although of late the luncheons provided by the entertainment committee have been of a simple nature, the board of managers, in voting to discontinue altogether the refreshment feature of Saturday evenings at the club, believe that they are acting in accordance with the spirit of the times and that the food saving thereby gained is in line with the recommendations made by the food administration. It is hoped that a substitute may be devised for a feature that has been thoroughly enjoyed by many members of the club.
